Blackboard is the computer software used to deliver this course. You must have reliable access to the Internet, Microsoft Word, PowerPoint, Excel, Adobe, etc. It is the student's responsibility to verify that assignments and assessments are accessible. You will have deadlines set for you throughout the semester. If you wait until a few hours before assignments are due and have technical difficulties, they may not be corrected in time to get credit for the assignment. Have a backup plan in place should you encounter computer problems. Open computer labs are available to all enrolled SPC students on all campuses. It is also the student's responsibility to have the required computer skills to complete this course. You must be able to download and attach files, watch videos, etc. Should you encounter technical difficulties, contact SPC technical support at (806) 716-2180 or email blackboard@southplainscollege.edu. Be sure to include course and section number information when contacting technical support. If you are not a self-motivated student, online classes are most likely not for you!

Unit Instructions for this course will come from the Course Content Tab (*tab on your blackboard page*), there are many ways to get the information you need, but this is probably the easiest way to navigate the course. There will be three units of instruction that include fifteen separate chapters. These unit instructions will contain everything you need to do for each chapter. Pay close attention to these unit instructions and the due dates associated with each chapter and week.

Course Evaluation:

- 1) There will be **Three Exams**, each worth 70 points (210 points total). Each exam will consist of multiple-choice, true/false, and essay questions.
- 2) **Chapter Quizzes** will be given over every chapter for a total of 15 quizzes. Each quiz is worth 10 points (150 points total), and they will be posted on Blackboard. Each quiz will consist of multiple-choice, true-false, or essay-type questions. Please use your notes and textbook to complete the quizzes. These quizzes will help prepare you for the exams.
- 3) **Two Homework Assignments** will be completed over the semester. Each homework will be worth 40 points (80 points in total).
- 4) **Discussion Boards** will be completed over the semester, each worth 5-15 points (60 points total). Do not ignore these assignments. The primary goal for the discussion portion of the course is to "talk" about learning. Please be respectful of others when posting on the DB, and keep your content appropriate and about the subject matter.

** I expect you to read the chapters assigned. This exposes you to the material and makes it easier for you to understand the PowerPoint slides and take good notes. Plan, and do not wait until the last minute to submit your assignments. Excuses for late work, such as "The network was down" or "I could not figure out how to post or send the assignment," are unacceptable.

*** All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English typically used in academic, professional, and business contexts. While slang and informal self-expression are appropriate in some settings, they are out of place in academic writing.

Final grades will be determined as follow:

- 3 examinations @ 70 points each: 210 points-
- 15 quizzes @ 10 points each 150 points-
- 2 Homework assignments @ 40 points each 80 points
- Discussions/Lab Assignments 60 points

Total: 500 points

Final Grade	Point Percentage	Point Total
